Facilities at JMJ College & School of Nursing

Laboratory

The Laboratory for Anatomy, Nutrition, Nursing Foundations, Maternity & Child Health, Community Health, Medical Surgical Nursing and Computer offer best learning facilities to develop the technical skills before the students have practice on patients.

Library

Library comprises of Reading rooms, Journal section, facilities for Photocopying, and Internet browsing with good collection of latest editions of Books and Journals of both Indian and foreign publications, including Digital Library Facilities.

Clinical Experience

The clinical experience of students is offered at our parent St. Theresa's Hospitals with 380 beds and Gandhi General Hospital which

comprises of over 1200 bed strength. A variety of patients are available for the students to learn, at different stages of illness. The faculty is posted for guiding students in all the areas at a ratio 1:10.

Co – Curricular Activities

The activities are organized regularly through Student Nurses Association and NSS. Our students participate in various intercollegiate competitions, exhibitions and community development programs.

Scholarship

The reservation category students belonging to SC/ST/BC/Minority/EBC communities are eligible for scholarship provided from State Social Welfare & Minority Welfare Departments.

Faculty

JMJ college of nursing has a distinct faculty with Doctoral and Post Graduate qualification coupled with vast experience in teaching and clinical

areas. Their combined quality and vision create out the college as one of the most progressive colleges in Andhra Pradesh & Telangana States.

Hostel

The hostel block is a distinctive structure in the campus, a home away from home for our students. The hostel provides with all modern amenities, living rooms, recreation facilities, sanitary facilities and good water supply for 24 hours.
